October 6, 2017

The Arkansas Coalition for Obesity Prevention (ArCOP) is celebrating our 10 year anniversary

and invites you to help us celebrate the past decade of work in Arkansas. We acknowledge that our partnerships are an important vehicle to get the work done of building healthy communities. We value the relationships we have built over the past few years.

At this year's celebration we will recognize the accomplishments in our state and on the local level in 2017. We are at an all-time high with 117 Growing Healthy Communities. We awarded 132 project grants to communities for activities that support policy, system and environmental changes to improve health. We awarded 14 Farmers Markets and 4 grocery stores with grants to initiate Double Up Food Bucks (DUFb) program for SNAP beneficiaries. During our five regional summits we awarded 18 Farmers' Markets, 49 community and school gardens, 22 built environment and 25 worksite wellness projects to make healthy changes for their communities. It has been a busy 2017 and we are looking forward to even greater accomplishments in 2018.

Your sponsorships will help us continue to provide the celebration at no cost to local community participants. Your sponsorship can also promote your organizations and/or your services. The specifics included in each category are outlined on the next page. We would appreciate your careful consideration of this opportunity to support our healthy community work throughout the state.

Sincerely,

President

Sponsorship Levels

- GOLD \$1000
 - Table recognition at the celebration, ArCOP swag bag of goodies
 - Recognition in the slideshow during the celebration
 - Corporate logo on print materials and ArCOP website, plus recognition on ArCOP's Facebook and Twitter accounts.
