September 1, 2016

The Arkansas Coalition for Obesity Prevention (ArCOP) invites you to be a sponsor for our 2016 celebration. We acknowledge that our partnerships are an important vehicle to get the work done of building healthy communities. We value the relationships we have built over the past few years.

At this year's celebration we will recognize the accomplishments in our state and on the local level in 2016. We are at an all-time high with 64 Growing Healthy Communities. We awarded project grants to 37 communities for activities that support the Healthy Active Arkansas agenda. We awarded 18 Farmers Markets with grants to initiate Double Up Food Bucks (DUFb) program for SNAP beneficiaries. ArCOP has initiated a complete streets campaign in five GHC, developed a refrigerator curriculum for our Growing Healthy Schools, developed a training to fund 10 Growing Healthy Worksites to implement lactation accommodations, passed 15 tobacco policies in GHC, and been awarded to fund a Growing Healthy Youth initiative in 19 Delta Counties. It has been a busy 2016 and we are looking forward to even greater accomplishments in 2017.

Your sponsorships will help us continue to provide the celebration at no cost to local community participants. Your sponsorship can also promote your organizations and/or your services. The specifics included in each category are outlined on the next page. We would appreciate your careful consideration of this opportunity to support our healthy community work throughout the state.

Sincerely,

Katrina Betancourt, President
